

## CLAP.MY PAYMENT CHANNEL for Malaysian logistic industry

A one-stop secured portal for  
risk-free **PAYMENT SOLUTION**

### What is **CLA DGC** ?

CLA DGC is a One-Stop **cashless solution** to manage Depot Gate Charges (DGC) centrally by consolidating charges from multiple Hauliers and Depots **nationwide** into one single portal

CLA DGC reduces hassle of managing petty cash, processing claim by driver, filing payment receipts and other tedious works. Truck driver can just proceed to Depot upon receiving work order to drop or pickup a container

### Benefit to **Haulier**

- » CLA will pay upfront / advance DGC to Depots on behalf of Haulier
- » Allow Hauliers to add Third Party for Billing 
- » Container movement and DGC transaction reconciliation are automatically managed by CLA Portal
- » CLA Portal is accessible 24/7 from anywhere to view E-records of past DGC financial transactions
- » Management dashboard / automated email with summary of DGC transactions
